## Born over the shop

It was during the First World War that Frederick London began his newsagency business in East Parade, Heworth.

His decision was based on tragedy. For he had chopped his fingers off in an accident while working as a butcher which put paid to his career.

But out of such an appalling accident grew a successful business that is still thriving today.

In those days his shop sold everything except the proverbial kitchen sink.

And helping him make the shop a success were the rest of the family. It is now run by Derek, his son, who in true family business tradition, was born above the shop.

Now the shop occupies a prime site on Mill Lane Corner. The premises were originally a school, and Derek London still has customers today who were pupils then.

As well as selling national and local newspapers and magazines, the shop today is also a thriving toy shop.

It has a wide range of toys and garden play equipment, as well as a good selection of greetings cards, cigarettes and tobacco.

Mr London believes he offers as good a selection in his shop as customers could get in the city centre.

But the one line that has remained constant over the years is the newspapers.

He sells 1,500 copies of the Evening Press alone each night, with the help of around 20 newsboys and girls who deliver to hundreds of homes in the area.

Dear Sir/Madam,

## RETIREMENT OF DR RICHARD HARDING

I refer to my recent letter confirming Dr Richard Harding's resignation from the Health Authority's medical list and I now formally confirm that your name has been transferred to Dr Christopher Murray with effect from Saturday, 7 May 1997. Dr Murray will continue to practice from East Parade and he will continue to be supported by Dr Ruth Morrison. On the back of this letter you will find details of the practice surgery hours.

Should you not wish your name transferring to Dr Murray's list, would you please follow the procedure outlined in my earlier letter. Should you require any further information or the names and addresses of other local York GP practices, please do not hesitate to contact Liz James at the Health Authority on York (01904) 825305.

This notice applies to each member of your household who is included on the list of Dr Harding.

Yours sincerely,

MESSAGE FROM DRS. RICHARD HARDING, CHRISTOPHER MURRAY AND RUTH MORRISON.

NEWSLETTER 15TH APRIL 1997

1. Dr. Christopher Murray has been appointed by the Health Authority to take over from Dr. Harding, and will take up his post on the 3rd of May.

2. From Dr. Christopher Murray. I am looking forward to taking over the practice from May 3rd. I am delighted that it will be staying a single-handed practice at East Parade due to all your campaigning.

I am 40 years old, a Yorkshireman educated in Edinburgh, and will be marrying Judith, a local district nurse, in July.

I have previously been a G.P., in Edinburgh for 8 years prior to moving to York 4 years ago. I have continued to work in general practice around York as well as doing other medical work. In June I will be starting work for half a day a week at York District Hospital Gastroenterology Department.

I hope to continue the high standards that Dr. Harding has established and I look forward to meeting you all in due course.

3. From Mrs Pat Shaw, New Practice Manager. May I also take this opportunity to introduce myself? I am Pat Shaw and I shall be joining the practice staff as Practice Manager. I look forward to working in York.

4. Dr. Morrison and the staff will remain working at East Parade and will provide important continuity for Dr. Murray.

5. From Dr. Harding. Finally, as this is my last Newsletter, I should like to tell you that it has been a pleasure and a privilege to work for you for the past 22 years. I am fortunate to have the chance to change the course of my career, and felt that for my own and my wife's sake the move would be good for us.

You have become friends as well as patients, and I have tried to make the practice as approachable and friendly a place as possible. Your support and participation has perhaps not been sufficiently acknowledged, so now is my chance to say THANK YOU to you all. You are a splendid group of people, and I wish you all the best of health in the future.

I would like also to express my thanks to all those of you who sent a card or a present, or simply said "thank you". Being a doctor can be lonely, and to know that my efforts have been valued is a huge support.

## EAST PARADE MEDICAL PRACTICE

### NEWSLETTER – JANUARY 2014

*- We'd like to wish all our patients a Happy & Healthy New Year -*

#### **Thank you!**

Thank you to all patients who kindly gave us Christmas gifts, they are much appreciated.

#### **A Busy 2013**

It's been a very busy year for the practice with lots of challenges and positive changes taking place.

**Successful CQC Inspection** - In May the practice underwent a successful CQC inspection and met all the required standards. If you'd like to see a copy of the report about our inspection you can visit the CQC website at [www.CQC.org.uk](http://www.CQC.org.uk).

**New Computer System** - In August we upgraded to a new computer system, EMIS Web. Thanks to the hard work of all the team this happened without any issues and although it has taken some getting used to, and did mean things worked a little more slowly for a couple of days, it has gone very smoothly. We would like to thank patients for their patience during that time. This has meant improvements in the way our clinical system works, and therefore patient care, and will lead to further benefits for patients later in the year such as the facility to request repeat prescriptions and book appointments on line. Watch this space!!

**New Opening Hours** - In response to patient feedback we increased our opening hours during 2013. We now open for an extra half hour each lunchtime as well as an extra half day on a Thursday afternoon.

#### **Repeat Prescriptions**

If you require a repeat prescription you can either pop your request in the mailbox in the hall, hand it to reception or post it to us with an SAE for its return.

We would ask you **not** to request these by telephone unless absolutely necessary, as this ties up the phone line for patients trying to contact us about more urgent matters. If you do have to make your request by phone please do this **after 11am**. Please allow 48 hours for your request to be processed.

#### **DNA's (Did Not Attend)**

There is now a notice in reception showing the number of appointments wasted in the previous month due to patients not attending pre-booked appointments. This may mean you could not get an appointment as quickly as you required one.

If you cannot attend, or no longer need your appointment, please let us know as soon as possible. We can then offer this slot to another patient.

#### **Feedback**

The practice welcomes your feedback. If you wish to make any comments or suggestions there is a feedback book in reception.

Dear Friend,

Not a presumptuous familiarity - an appreciation of you and your support.

Anne and I have chosen to sell the garage site as it is too large for the work we do and is suitable for housing. We will close on December 19th. 1997 and where we will be is not yet clear, so this letter is to suggest who to contact if you have any queries or difficulties, then we can help you.

Initially and foremost if the garage telephone numbers you are used to have not been diverted, please try our home number 01904 423724 (possibly answer phone) or my mobile number 0378 387204 and then we can help you.

If for any reason you cannot contact us and you need help or advice please ring either 01904 422966 or 01904 424597, here you will be talking to either my brother Andrew of Glen Garage York or Cliff Chapman of Chapmans Garage Heworth York who knowing that historically I have looked after you and your car will treat you in the same caring way, until we are available.

We hope this 'interlude' will be short and without inconvenience to you, but please do ring if you need help.

Keep in touch. We will.

1st. March 1998.

Dear Friend,

In my last letter I said Anne and I would keep in touch and at last I can inform you of the status at Stockton Lane Garage and how we hopefully may again be able to support your motoring arrangements.

It's a while since I wrote to you but it's like house moving - protracted - solicitor infested and seemingly unending.

The site is now, provisionally, sold (again) but we will still be here until the 31st. March.

Meanwhile, Eric and Colin are now set up in a workshop and I will man the existing Stockton Lane site until it closes. So now, and in the future, please contact me for your servicing, repairs, M.O.T.s or body repairs on mobile no. 0378 387204 or 01904 423724.

I will again be able to offer loan cars (including dual controlled), collection and delivery or lifts to town.

New and used cars, I will still supply if you would like me to do so or just advise if I can.

Yours Sincerely
